Boom on the Move – Debbie Creekmore

Fun dance-based class following the Zumba Gold format. The class improves cardio fitness with easy-to-follow moves and energizing music. Last 20 minutes the emphasizes is on strength and flexibility

Pedaling for Parkinson's – Rosetta Fahrlander

The class is specific to anyone diagnosed with Parkinson's disease. To participate in the program, you must: • Have a clinical diagnosis of Parkinson's Disease • Complete and submit a signed consent

SilverSneakers® Classic – Debbie Creekmore

Move to the music through a variety of exercises designed to increase muscular strength, range of movement and activities of daily living. A chair is used for seated and/or standing support

SilverSneakers® Yoga – Jackie Kirby

The class will move your whole body through a complete series of seated and standing yoga poses. Chair support is offered to safely perform a variety of poses designed to increase flexibility, balance and range of movement.

Tai Chi – Kirsten Mustain Gentle class based on the martial art of Tai Chi. It consists of ten Tai Chi "forms", precited slowly to music, in addition to other gentle stretches and movements designed to enhance balance, mobility, strength, and flexibility. Chairs are used for warm up and cooldown, and may also be used throughout the class for students with less mobility.
